On 1/17/2023, the first out of two mandatory public hearings for the federal CDBG Program, Program Year 2023 were conducted. The purpose of "Public Hearing #1" was to inform citizens and community officials about potential grant funding sources within that grant program for program year 2023.

Community Officials and Project Managers are encouraged to attend this public hearing so that they can elaborate on project details as the Commissioners need them to.
