Article 3: Project Dates

The entire Scope of Work must be completed by **April 15th, 2027** (Project Completion Date).

Work **cannot** begin on the property until a written Notice to Proceed (NTP) has been issued. Contractor will be given a NTP once a pre-construction meeting has taken place and all documentation has been received and executed. Failure to conduct an pre-construction and provide required documentation will prevent the issuance of a NTP but **does not** change the completion date. Owner reserves the right to cancel the contract if not completed by Project Completion Date without making substitutions or payments for work not completed. Contractor shall perform project during normal work hours, defined as Monday through Friday between 7am and 6pm.

Article 4: Payment

Work includes all specifications and Scope of Work identified herein or developed in the field. To request payment, contractor must submit invoice to MVPO. Contractor will be paid after all obligations are met as described in Contract and funds are received from the grantor.

Article 5: General Provisions

1. It is understood by Contractor that the mentioned time schedules must strictly be adhered to. In the event that Contractor is not able to complete the Work in accordance herewith, and by the time required hereunder, Contractor shall be required to pay the sum of \$500.00 per day as and for liquidated damages. Those damages, though incapable of precise determination, shall be imposed to account for any delay costs which may be imposed or asserted by any other Contractors or subcontractors, or any other person arising out of such delay.
2. The price herein shall remain fixed. No other charges, extras or additions shall be made or added to this Agreement unless first agreed to in writing by the Owner. Any work performed or extras outside the Scope of the Work herein without the Owner' prior written approval shall be at Contractor's sole cost and expense.
3. Should any dispute or change in the Scope of Work be required during the Work, the inability to resolve such dispute shall not be a basis for stopping the Work. Contractor shall continue to perform all Work hereunder.
4. In the event any governmental authority, the Owner, or any contractor developing the Site on the Owner's behalf identifies unsatisfactory, defective, incomplete, or unworkmanlike work in the scope of Contractor's services herein, Contractor will, upon notice from the Owner or such person, company or governmental unit immediately stop said work and immediately commence to comply with any such notice and shall immediately correct any such problem at Contractor's expense.
5. Contractor agrees that all Work will be done in conformity with all applicable laws of the Owner, State of Ohio, and United States of America; that all project permits of any government-issuing authority will be secured, and that the property will at all times be maintained in a safe condition consistent with all applicable public safety laws.
6. The intention of the parties is that the terms and provisions of this Agreement apply separately to the project of each individual address listed herein. This Agreement shall continue to apply to any Work completed at the site.
7. Contractor agrees that the Owner may inspect the Sites at any time with or without prior notice.
8. **Disputes** include disagreements, matters in question, and difference of opinion between the Owner and the Contractor. The first step is to always contact the Owner directly. Owner and contractor agree to mediate any dispute or claim arising out of the agreement or any resulting transaction. Each party will be responsible for their own legal expenses.
9. **Termination by the Owner for Cause-** Owner may terminate the Agreement upon the occurrence of any one of the following:
 - a.) refusal or failure to supply in sufficient number or with sufficient expertise properly skilled workers or proper materials after written notification by the Owner that the

- Contractor has refused or failed in supplying properly skilled workers or proper materials,
- b.) refusal or failure to make payment to any subcontractor (Subcontractor) for materials or labor in accordance with the respective agreements between the Contractor and such Subcontractor;
- c.) violation of any applicable law, statute, ordinance, code, rule, regulation, or lawful order of a public authority after prior written notice of the violation to Contractor; or
- d.) Otherwise, a substantial breach of any provision of the Agreement documents and such breach remains uncured after 14 prior written notice of the breach from the County Owner

When any of the above reasons exist, the Owner may without prejudice to any other rights or remedies of the Owner and after giving the Contractor and the Contractor's surety, if any, written notice, terminate employment of the Contractor effective on the date stated in the notice and may, subject to any prior rights of the surety:

- a.) finish the Work by whatever reasonable method the Owner may deem expedient. Upon written request of the Contractor, the Owner shall furnish to the Contractor an accounting of the costs incurred by the Owner in finishing the Work.

10. **Termination by the Owner:** The Owner may, at any time, terminate the contract for the Owner's convenience and without cause. Upon receipt of written notice from the Owner of such termination for the Owner's convenience the Contractor shall:

- b.) Cease operations as directed by the Owner in the notice;
- c.) Take actions necessary, or that the Owner may direct, for the protection and preservation of the Work; and
- d.) Except for Work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders for Work and enter into no further subcontracts or purchase orders for Work.

In case of such termination for the Owner's convenience, the Contractor shall be entitled to receive payment for the Work performed, and costs incurred by reason of such termination, along with reasonable overhead and profit on the Work that has been substantially completed.

11. **Suspension by the Owner for Convenience:** Owner may, without cause, order the Contractor in writing to suspend, delay or interrupt the Work in whole or in part for such period of time as the Owner may determine. The proposed completion time shall be adjusted for the time caused by suspension, delay, or interruption.
12. **Delegation of Performance:** Contractor shall not delegate or otherwise subcontract any performance of the Work under this Agreement to any person who is not an employee of the Contractor or to a subcontractor **without the prior written consent** of the Owner. If Owner consents in writing to the delegation of or subcontract for the performance of project Work under a contractor's agreement any delegation of or subcontract for the performance of Work under this Agreement is subject to the following conditions:

- a) Contractor shall remain liable to the Owner for the performance it delegated or otherwise subcontracted.

- b) Contractor shall remain liable to the Owner for the acts or omissions of any person or subcontractor and the subcontractor's officers, agents, or employees performing delegated Work.
 - c) Contractor shall deliver a copy of the duly executed subcontract to the Owner within 10 business days from executing the subcontract.
 - d) Contractor and subcontractor shall agree in the subcontract that the Owner has no duty to perform any performance owed by Contractor to subcontractor or any person under the subcontract including, but not limited to, payment under the subcontract.
 - e) Any delegation of performance of the Work under this Agreement, in whole or in part, without the prior written consent of the Owner or without agreement to or satisfaction of the conditions set forth in this paragraph is void and may, in the sole discretion of the Owner, result in the termination of this Agreement.
13. **Assignment of Rights Prohibited.** Contractor shall not assign any of its rights under this Agreement, in whole or in part, without the prior written consent of the Owner. If the Owner has not consented in writing to the assignment of any of Contractor's rights under this Agreement any such assignment of rights is void and may, in the sole discretion of the Owner, result in the termination of this Agreement.
14. **Claims Against Contractor:**
- a) The Contractor shall indemnify and save the Owner or the Owner's agents harmless from all claims growing out of the lawful demands of Subcontractor's laborers, workers, mechanics, material persons and furnishers of machinery and parts thereof, equipment, tools, and all supplies, incurred in the furtherance of the performance of the work.
 - b) The Contractor shall, at the Owner's request, furnish satisfactory evidence that all obligations of the nature designated above have been paid, discharged, or waived. If the Contractor fails to do so the Owner may, after having notified the Contractor, either pay unpaid bills or withhold from the Contractor's unpaid compensation a sum of money deemed reasonably sufficient to pay any and all such lawful claims. Until satisfactory evidence is furnished that all liabilities have been fully discharged whereupon payment to the Contractor shall be resumed, in accordance with the terms of the Contract Documents, but in no event shall the provisions of this sentence be construed to impose any obligations upon the Owner to either the Contractor, his Surety or any third party.
 - c) In paying any unpaid bills of the Contractor, any payment so made by the Owner shall be considered as a payment made under the Contract Documents by the Owner to the Contractor and the Owner shall not be liable to the Contractor for any such payments in good faith.

Article 6: Indemnification

As used herein, "Contractor" includes all subcontractors and other parties under any oral or written agreement, purchase order or other instrument between Contractor and any subcontractor for or on behalf of the Owner. Any party performing work for or on behalf of the Owner regardless of whether such work is pursuant to a written instrument hereby agrees to incorporate the following terms, conditions, and provisions into all of its subcontracts. The Work performed by the Contractor shall be at the risk of the Contractor exclusively. To the fullest extent permitted by law, Contractor shall indemnify, defend (all Contractor's sole expense) and hold harmless the Owner and affiliated

These indemnity and defense obligations shall apply to any acts or omissions, negligent or willful misconduct of Contractor, its employees, or agents, whether active or passive. Contractor shall not be obligated to indemnify and defend the Owner for claims found to be due to the sole negligence or willful misconduct of Indemnified Parties. Contractor's indemnification and defense obligations hereunder shall extend to Claims occurring after this Agreement is terminated as well as while it is in force and shall continue until it is finally adjudicated that any and all actions against the Indemnified Parties for such matters which are indemnified hereunder are fully and finally barred by applicable Laws.

Contractor agrees to maintain the above insurance for the benefit of the

Owner for a period of three (3) years, or the expiration of the Statute of Limitations pursuant to applicable provisions of the Ohio Revised Code.
